VENDAVAL BRASS

The party that leads the way

VENDAVAL BRASS

The party that leads the way

A cumbia bursts into the street and the crew sets off. Two sea creatures, one on stilts and one on a unicycle, send clubs flying while six musicians turn the square into a dance floor. The band is conducted with hand signals, and the audience ends up conducting it.

Funk, Balkan, swing and cumbia, with stilts and games for everyone.

CREDITS

Artistic direction **tyle fernández**
Music **Cia. VENDAVAL**
Costumes **Imaginario de Mónica · Tropidelia**
Co-production **Cia. Filigranes**
Photography **ROAR · Albert Garcia**
