THE SHOW

# A festive, poetic and shared journey

**VENDAVAL Brass** is a roving band that turns the street into a mobile fiesta. The show kicks off with infectious cumbia rhythms while two clowns fill the space with humor, performing on stilts and a unicycle and juggling. A lineup of three saxophones, trumpet, sousaphone, and portable drums drives the beat—using hand signals for live improvisation—and blends funk, Balkan, swing, and salsa styles drawn from their European and North and South American roots. Featuring nautical props and interactive games, VENDAVAL Brass leads the crowd on a journey, guiding the scene and blazing a trail.
